EDUCATION

Ph.D., Agricultural and Resource Economics, University of California at Berkeley, 1996

Master of Arts, Economics, University of California at San Diego, 1992

Bachelor of Arts, *Summa Cum Laude*, Non-Western Studies, University of San Diego, 1988

PROFESSIONAL EXPERIENCE

Keough-Hesburgh Professor of Sustainable Development, University of Notre Dame, Keough School of Global Affairs, Notre Dame, IN. *September 2020 to present.*

Endowed chair and tenured, full professor position which includes research, teaching, student supervision, academic service and policy engagement.

Executive Director, Agricultural Innovation Mechanism for Scale (AIM for Scale). *January 2025 to present.*

Manage the Secretariat, oversee activities and lead partnership engagement for AIM for Scale, which builds alliances to promote the scaling of impactful and cost-effective agricultural innovations to address issues related to climate change, food security, and agricultural productivity.

Associate Dean for Academic Affairs, University of Notre Dame, Keough School of Global Affairs, Notre Dame, IN. *January 2023 to June 2025, July 2026 to present.*

Responsible for all processes related to the Keough School faculty including hiring, appointment, renewals, promotion, tenure, and annual evaluations, oversee the mentoring and professional development of junior faculty members, and provide oversight of the School's academic programs.

Visiting Scholar, School of Global Policy and Strategy, University of California San Diego, San Diego, CA. *July 2025 to June 2026.*

Research leave from the University of Notre Dame focused on research addressing issues around climate change, food security and agricultural productivity.

Executive Director, Innovation Commission for Climate Change, Food Security and Agriculture, Development Innovation Lab, University of Chicago, Chicago, IL. *November 2022 to June 2025.*

Oversee activities and lead engagements with partners for the Innovation Commission, which is chaired by Nobel Laureate (Economics, 2019) Michael Kremer and promotes innovation development and scaling to address climate change, food security, and agriculture.

Associate Vice-President, Strategy and Knowledge Department, International Fund for Agricultural Development (IFAD), Rome, Italy. *July 2016 to August 2020.*

Provided leadership in technical operational support, knowledge management, and strategic planning; supervised three divisions with 100+ staff and consultants; planned and allocated the \$US15 million departmental budget. Member of IFAD's Executive Management Committee, which is responsible for overall institutional management, including relations with the Executive Board.

Director, Research and Impact Assessment Division, International Fund for Agricultural Development (IFAD), Rome, Italy. September 2015 to August 2018.

Managed IFAD's research activities and impact evaluations of IFAD-supported projects, which required developing research and impact evaluation agendas; worked to improve development effectiveness at IFAD; supervised approximately 20 staff; planned and allocated the divisional budget.

Professor, American University, Department of Economics, Washington, DC. August 2004 to August 2015 (Associate Professor 2004-2013, tenured 2010).

Position included research, teaching, student supervision, and academic service. Published more than 50 peer-reviewed articles and book chapters, taught 12 different courses, and supervised around 30 PhD students (19 as chair) and 30+ MA students.

Technical consultant, Inter-American Development Bank, Office of Strategic Planning and Development Effectiveness, Washington, DC. October 2008 to August 2015 (sabbatical August 2010-July 2011).

Provided technical support for a unit focusing on impact evaluation, which included creating the unit, teaching courses, writing guidelines, and designing and conducting impact evaluations.

Agricultural and Resource Economist, Inter-American Development Bank, Department for Mexico, Central America, Dominican Republic, and Haiti, Environment and Natural Resources Division, Washington, DC. October 2002 to July 2004.

Held a position in the loan operations section of the IDB, which required preparing loans linked to promoting agricultural and rural development in the region.

Lecturer, University of New England, Graduate School of Agricultural and Resource Economics & School of Economics, Armidale, Australia. January 1999 to September 2002 (tenured 2001).

Position included research, teaching, student supervision, and academic service.

Visiting Expert, Food and Agriculture Organization of the United Nations, Economic and Social Division, Rome, Italy. January 2002 to July 2002 (study leave from the University of New England).

Conducted research on cash transfer programs, agricultural biodiversity, and smallholder agriculture.

Economist/Rockefeller Foundation Research Fellow, International Potato Center (CIP), Lima, Peru. January 1997 to December 1998.

Conducted research on smallholder production and natural resource management in the Andean region.

Academic Presentations, Conferences, Seminars and Workshops

Panel discussant, "Lessons Learned on Sustainable Livestock Innovation." Inter-American Development Bank Virtual Event: *Adoption of Sustainable Livestock Innovations: Evidence from Latin America*, May, 2026.

Panel discussant, "Implications of climate change in smallholder agricultural systems: Adaptation, mitigation, and impacts on rural livelihoods." American Agricultural Economics Association Annual Meetings Virtual Track, Denver, Co, August 2025.

Co-organizer and participant. At the second meeting *Shaping priorities for investment in resilient, inclusive rural transformation*, Rome, Italy, June, 2023.

Keynote lecture. “Inclusive Rural Transformation in the Era of Climate Change: The Role of Productivity Gains.” *IAAE Interconference Symposium, Congreso Regional de Economía Agraria and, 1st Latin-American Workshop on Productivity and Efficiency*, Montevideo, Uruguay, April, 2023.

Panelist. “Evidence-based policy, IFAD11 Impact Assessments for Food System Transformation.” *IAAE Interconference Symposium, Congreso Regional de Economía Agraria and, 1st Latin-American Workshop on Productivity and Efficiency*, Montevideo, Uruguay, April, 2023.

Invited speaker. “The role of the private sector in transforming food systems.” Universidad Católica del Uruguay, Facultad de Ciencias Empresariales, Montevideo, Uruguay, April, 2023.

Co-organizer and presenter. “Reconsidering priorities for strategies, policies and investment for resilient, inclusive rural transformation.” At the meeting *Shaping priorities for investment in resilient, inclusive rural transformation*, Rome, Italy, March, 2023.

Co-organizer and presenter. “Shaping priorities for investment in resilient, inclusive rural transformation: Setting the scene.” Preparatory meeting for *Convening on resilient, inclusive rural transformations*, Rome, Italy, November, 2022.

Invited speaker. “Fostering inclusive and sustainable rural and food system transformation.” University of Guelph, Guelph; University of Saskatchewan, Saskatoon; McGill University, Montreal, Canada, January 2020.

Panelist. “Where and how are we intervening to facilitate agricultural transformation?.” At the workshop *Inclusive Agriculture and Rural Transformation: Building a Shared Research Agenda*, Rome, Italy. June 2019.

Presenter. “Monitoring and Evaluation” and **Moderator** “Assessing Scalability.” At the *Scale Up Conference at Purdue University*, Purdue, Indiana. September 2018.

Paper presentation. “Can irrigation investment improve social outcomes? Evidence from the Philippines.” At the *College of Agricultural Sciences and Natural Resource, University of Nebraska*, Lincoln, Nebraska. September 2018.

Paper presentation. “Does relative deprivation induce migration? Evidence from Sub-Saharan Africa.” At the *International Conference of Agricultural Economists*, Vancouver, Canada. July-August 2018.

Plenary session panelist. “Lessons Learned & Future Policy Challenges.” At the *22th ICABR Conference: Disruptive Innovations, Value Chains and Rural Development*. Washington, DC. June 2018.

Keynote address. “Production for protection: Do agricultural productivity programs serve a social protection role as well as lifting incomes? What evidence do we have?” At the World Bank event *Evidence for Agriculture*, Washington, DC. November 2016.

Paper presentation. “The Effects of Land Titling on the Urban Poor: A Replication of Property Rights for the Poor.” At the *3ie Replication Consultation*, Washington, DC. May 2015.

Co-organizer, session chair and presenter. At the *Second Workshop on the Transfer Project Book*, Livingstone, Zambia. October-November 2014.

Paper presentation. “The Wisdom of Plantwise: Preliminary Evidence from Kenya.” At the *CABI 3rd Annual Plantwise Donor Forum*, Delémont, Switzerland, October 2014.

Co-organizer, session chair and presenter. At the *Workshop on the Transfer Project Book*, Florence, Italy. May 2014.

Paper presentation. “Do Input Subsidies Alleviate Gender Differences in Agricultural Productivity? Evidence from Malawi.” At the *Gender and Agricultural Productivity in Sub-Saharan Africa*, Rome, Italy. September 2013.

Paper presentation. “When and under what conditions should we expect to find evidence of impact of cash transfer programs on household livelihoods?” At the *Workshop on the Protection to Production project*, Rome, Italy. September 2013.

Panelist. “From Research to Policy and Back Again.” At the *Social Protection, Agriculture and the “From Protection to Production” Project*, Rome, Italy. September 2013.

Co-organizer, session chair and final wrap-up. At the workshop *Farm Production and Nutrition*, Washington, DC. June 2013.

Paper presentation. “Cash Transfers, Agriculture and Child Nutritional Status: Evidence from Malawi.” At the *Department of Agriculture and Resource Economics at UC Davis Departmental Seminar*, Davis, California. May 2013.

Paper presentation. “From Protection to Production: Evidence from the Kenya CT-OVC program.” At the *3ie-IFPRI Joint Seminar Series on Impact Evaluation*, Washington, DC. January 2013.

Paper presentation. “Productive Impact of Unconditional Cash Transfer Program: Evidence from Randomized Experiment in Kenya.” At the *Association for Public Policy Analysis and Management (APPAM) Fall Research Conference*, Baltimore, Maryland. November 2012.

Co-organizer, session chair and final wrap-up. At the workshop *Evaluating the Impact of Tenure Security Interventions in Developing Countries*, Washington, DC. November 2012.

Paper presentation. “Land Tenure Formalization and Credit Access: Evidence from Ecuador.” At the workshop *Evaluating the Impact of Tenure Security Interventions in Developing Countries*, Washington, DC. November 2012.

Paper presentation. “From Protection to production: Overview of household-level analysis.” At the *Workshop on the Protection to Production Project*, Rome, Italy. September 2012.

Paper presentation. “The impact of the Malawi SCT program on productive activities.” At the workshop *Evaluating the Impact of Cash Transfer Programs in Sub Saharan Africa*, Nyeri, Kenya. February 2012.

Discussant. “Simulating the local economy impacts of CT programs: Sample and survey design issues, and an application to the Lesotho CGP program.” At the workshop *Evaluating the Impact of Cash Transfer Programs in Sub Saharan Africa*, Nyeri, Kenya. February 2012.

Paper presentation. “From Protection to Production: The Productive Impacts of Social Cash Transfers.” At the USAID workshop *Building Resilience and Assets for Food Security: Evidence and Implications for Feed the Future*, Washington, DC. September 2011.

Paper presentation. “From Protection to Production: The Productive Impacts of Social Cash Transfers.” At the *3IE Impact Evaluation Conference, Mind the Gap*, Cuernavaca, Mexico. June 2011.

Session chair. “Agricultural extension services: unpacking the causal chain.” At the *3IE Impact Evaluation Conference, Mind the Gap*, Cuernavaca, Mexico. June 2011.

Panel chair. “Wrap-up Session.” At the workshop *Measuring the Impacts of Food Security Related Programming*, Rome, Italy. December 2010.

Paper presentation. “Assessing the development effectiveness of agricultural projects in Latin America.” At the workshop *Measuring the Impacts of Food Security Related Programming*, Rome, Italy. December 2010.

Paper presentation. “Assessing the Role of Tourism in Poverty Alleviation.” At the workshop *Tourism for Development*, Washington, DC. October 2010.

Co-organizer and session chair. At the workshop *Tourism for Development*. Washington, DC. October 2010.

Co-organizer and panel member. At the workshop *Tourism for Development*. Sao Paolo, Brazil. May 2010.

Co-organizer and session chair. At the Inter-American Development Bank workshop *Evaluating the Impact of Agricultural Projects in Developing Countries*. Washington, DC. October 2009.

Paper Presentation (with Alessandro Maffioli). “Overview of Results and Lessons from the Workshop.” Presented at the Inter-American Development Bank workshop *Evaluating the Impact of Agricultural Projects in Developing Countries*, Washington, DC. October 2009.

Co-organizer and session chair. At the Food and Agriculture Organization (FAO) workshop *Migration and Nutrition*, Rome, Italy. June 2009.

Paper presentation (with Lina Salazar). “Evaluating Biodiversity and Yields: Impact of Access to Markets and Transaction Costs in Bolivia.” At the Food and Agriculture Organization (FAO) workshop *Using Markets to Promote the Sustainable Utilization of Crop Genetic Resources*, Rome, Italy. May 2008.

Co-organizer and roundtable discussant. “Major Themes Emerging from the Workshop.” At the Food and Agriculture Organization (FAO) workshop *Linkages between Farm and Nonfarm Income Generating Activities*, Rome, Italy. October 2007.

Paper presentation. “Sowing the seeds of social relations: the role of social capital in crop diversity.” At the *BioEcon IX meetings*, Cambridge UK, September 2007.

Paper presentation. “Rural Economic Activities in Developing Countries.” At the *Agricultural Economics Society Conference*, Reading, United Kingdom. April 2007.

Paper presentation. “Non-Traditional Crops, Traditional Constraints: The Adoption and Diffusion of Cash Crops among Guatemalan Smallholders.” At the *Agricultural Economics Society Conference*, Reading, United Kingdom. April 2007.

Paper presentation. “Remittances and Livestock Production in Burkina Faso.” At the Food and Agriculture Organization (FAO) workshop *Migration, Transfers and Household Economic Decision Making*, Rome, Italy. January 2007.

Co-organizer and discussant. “Impacts of International Migration and Remittances on Source Country Household Incomes in Small Island States: Fiji and Tonga.” At the Food and Agriculture Organization (FAO) workshop *Migration, Transfers and Household Economic Decision Making*, Rome, Italy. January 2007.

Paper presentation. “Migration and the Intensification of Livestock Production in Burkina Faso.” At the *International Association of Agricultural Economists Meetings*, Gold Coast, Australia. August 2006.

Paper presentation. “The new agricultural economy, farmer welfare and potato diversity: Preliminary evidence from the Andes.” At the *International Association of Agricultural Economists Meetings*, Gold Coast, Australia, 2006.

Paper presentation. “Assets, Activities and Rural Poverty: A Multicountry Analysis.” At the *International Association of Agricultural Economists Meetings*, Gold Coast, Australia. August 2006.

Paper presentation. “Demographic externalities from Poverty Programs in Developing Countries: Experimental evidence from Latin America.” At the *Population Association of America Annual Meetings*, Los Angeles, California. March 2006.

Session chair. At the Food and Agriculture Organization (FAO) workshop *Using markets to promote the sustainable utilization of crop genetic resources*, Rome, Italy. March 2006.

Paper presentation. “Rural Income-Generating Activities in Developing Countries: A MultiCountry Analysis.” At the Food and Agriculture Organization (FAO) workshop *Beyond Agriculture*, Rome, Italy. January 2006.

Discussant. At the *Southern Economics Association Annual Meetings*, Washington DC. November 2005.

Paper presentation. “The impact of cash transfers on childbearing in developing countries: Experimental evidence from Central America.” At the Center for Global Development’s *Massachusetts Avenue Development Seminar*, Washington DC. March 2005.

Research Grants

Open AI Foundation, Lead Principal Investigator, AI-Based Agricultural Weather Forecasting for Smallholder Farmers, Awarded \$10.1 million: 2026-2029.

United Arab Emirates International Affairs Office, Lead Principal Investigator, Empowering Government to Implement AIM for Scale Innovation Packages, Awarded \$2.6 million: 2026-2028.

New York University-Abu Dhabi for Gates Foundation, Lead Principal Investigator, Agricultural Innovation Mechanism for Scale (AIM for Scale), Awarded \$1.2 million: 2025-2027.

Heliponix-LLC/Anu and Applied Research Institute, Lead Principal Investigator, *Anu Life Cycle Assessment and ARI voucher*, Awarded \$146,574: 2025-2026.

Bill and Melinda Gates Foundation, Co-Principal Investigator with Jaron Porciello, *Innovation Commission Support for UAE COP28 Presidency*, Awarded \$396,000: 2023-2024.

Bill and Melinda Gates Foundation, Co-Principal Investigator with Jaron Porciello, *Ceres 2030 Phase II & Commission on Ag, Climate Change, and Innovation*, Awarded \$5 million: 2022-2024.

University of Chicago for Bill and Melinda Gates Foundation, Lead Principal Investigator, *Commission on Innovation for Agriculture and Food Security/Analysis*. Awarded \$151,910: 2021-2022.

Massachusetts Institute of Technology for US Agency for International Development, Lead Principal Investigator, *Evaluation Analysis for MIT Comprehensive Initiative on Technology Evaluation*. Awarded \$157,375: 2021-2022.

Food and Agriculture Organization of the United Nations, Lead Principal Investigator, *Analysis of Spillover effects of Uganda's refugee policy framework on the economic development of refugee hosting districts*. Awarded \$60,000: 2021-2022.

Food and Agriculture Organization of the United Nations, Lead Principal Investigator, *Tech Assessment: A stock-taking assessment of the technologies that have been proposed, used, and implemented across FAO programmatic interventions*. Awarded \$55,825: 2021-2022.

CABI, Co-Principal Investigator under American Institutes for Research (AIR), *Impact Evaluation of CABI's Plantwise Programme in Kenya*. Awarded \$2 million: 2014-2018.

CABI, Co-Principal Investigator under American Institutes for Research (AIR), *Proposal Preparation to Carry Out an Impact Evaluation of the CABI-led Programme Plantwise*. Awarded \$20,000: 2013-2014.

Food and Agriculture Organization of the United Nations, Principal Investigator, *From Protection to Production Project*. Awarded \$106,700: 2013-2014.

3IE, Principal Investigator, *To Replicate "Property rights for the poor: Effects of land titling" by Sebastian Galiani and Ernesto Schargrodsky*. Awarded \$14,574: 2013-2014.

Food and Agriculture Organization of the United Nations, Principal Investigator, *Smallholders in Transition: Phase II*. Awarded \$96,500: 2010-2011.

Food and Agriculture Organization of the United Nations, Principal Investigator, *Smallholders in Transition*. Awarded \$151,500: 2009-2010.

Food and Agriculture Organization of the United Nations, Principal Investigator, *Incorporating Rural Nonfarm Activities into Rural Development Policy and Poverty Reduction Strategies: Phase II*. Awarded \$49,900: 2007-2008.

Food and Agriculture Organization of the United Nations, Principal Investigator, *Incorporating Rural Nonfarm Activities into Rural Development Policy and Poverty Reduction Strategies*. Awarded \$148,590: 2006-2007.

Food and Agriculture Organization of the United Nations, Principal Investigator, *Public and Private Transfers and Rural Development*. Awarded \$50,000: 2005-2006.

Food and Agriculture Organization of the United Nations, Principal Investigator, *Incorporating Rural Nonfarm Activities into Rural Development Policy and Poverty Reduction Strategies*. Awarded \$33,000: 2005-2006.

Australian Centre for International Agricultural Research, Project team co-leader, *Contract farming, smallholders, and rural development in East Java and the Eastern Islands of Indonesia*. Awarded AU\$400,000: 2001-2003.

University of New England 2002 Research Support, Project team leader, *Micro-macro computable general equilibrium modeling for Indonesia*. Awarded AU\$9,000: 2002.

Faculty of Economics Business and Law 2001 Internal Research Grant, Project team leader, *Understanding smallholder maintenance of agricultural biodiversity*. Awarded AU\$2,080: 2001.

Australian Centre for International Agricultural Research, Project team leader, *Defining practical guidelines for evaluating long-term, smallholder, decision-making in developing countries*. Awarded: AU\$21,000: 2000-2001.

University of New England 2000 Research Support, Project team leader, *Evaluating Farmer Field Schools: Concepts and Methodology*. Awarded AU\$6,000: 2000.

Field and Survey Experience

Ecuador, Impact evaluation design, IDB Invest, 2023-24

Guatemala, Impact evaluation via phone surveys, IDB Invest, 2021-2022

Philippines, Impact evaluation (quant. and qual.) design/testing and enumerator training, IFAD, 2016-17

Kenya, Impact evaluation (quant. and qual.) design/testing for baseline and follow-up, CABI, 2013-17

Mexico, Survey design/testing, Inter-American Development Bank, 2011

Bolivia, Survey design/testing and enumerator training, Food and Agriculture Organization, 2007

Ecuador, Survey design/testing and enumerator training, Food and Agriculture Organization, 2007

Ethiopia, Survey design/testing and enumerator training, Food and Agriculture Organization, 2002

Indonesia, Survey design/testing, Australian Center for International Agricultural Research, 2001

Peru, Survey design/testing and enumerator training, World Bank, 1999

Peru, Survey design/testing and project evaluation, International Potato Center, 1997-1998

Ecuador, Project evaluation, CARE-Ecuador and International Potato Center, 1997

Pakistan, Informal interviews and survey design, International Irrigation Management Institute, 1995

POLICY AND PRACTICE

Participation in International Events

Presenter. “Scaling agricultural innovations for impact.” Webinar *AIM for Scale × CGIAR: Partnering to Deliver Impact at Scale*, July 2026

Presenter. “Agricultural Innovation Mechanism (AIM) for Scale” Virtual presentation to *Agriculture, Food, Nature, and Rural Development Sector Division*, June 2026.

Panelist. “Scaling Landscape Approaches for Food Systems Transformation: Knowledge Platforms and Financing Partnerships”, Asia and the Pacific Food Systems Forum, Manila, Philippines, March 2026.

Presenter. “Digital solutions and Innovation Session: From Evidence to Investment”, Asia and the Pacific Food Systems Forum, Manila, Philippines, March 2026.

Presenter. “AIM for Scale”, UAE-Gates Partnership Showcase for Bill Gates and HE Miriam Almheiri, Abu Dhabi, UAE, December 2025.

Keynote speaker. “AIM for Scale: Catalyzing Partnerships for Agricultural Impact in Low- and Middle-Income Countries”, Abu Dhabi's AI Ecosystem for Global Agricultural Development, Abu Dhabi, UAE, December 2025.

Panelist. “Digital Tools for Resilient Agriculture: Global Experiences and Opportunities in Latin America and the Caribbean”, Inter-American Development Bank Event, COP30, Belem, Brazil, November 2025.

Moderator. “Scaling Innovative Approaches to Climate Services for Agriculture”, World Meteorological Organization and AIM for Scale Event, COP30, Belem, Brazil, November 2025.

Invited Roundtable Participant. “COP30 Activation Group 9 and 10 Stocktake meeting”, COP30 Presidency and UNFCCC, COP30, Belem, Brazil, November 2025.

- Panelist.** “From Farm to Future: Transforming Food Systems in Asia and the Pacific”, Asian Development Bank Event, COP30, Belem, Brazil, November 2025.
- Panelist.** “Digital technologies to address climate variability and climate change in agriculture”, Inter-American Institute for Cooperation on Agriculture Event, COP30, Belem, Brazil, November 2025.
- Panelist.** “Recognizing Cooperative Climate Initiatives supporting the Paris Agreement.” UNFCCC Event, COP30, Belem, Brazil, November 2025.
- Panelist.** “Turning Innovation into Impact: Scaling Climate-Smart Solutions for Farmers.” AIM for Scale, Embrapa, FAO, IWMI and IMAFLORA Event, COP30, Belem, Brazil, November 2025.
- Keynote Speaker.** “Digitalization of Technical Assistance and Extension.” Inter-American Institute for Cooperation on Agriculture Digital Agriculture Week, San Jose, Costa Rica, September, 2025.
- Invited Participant.** Rockefeller Bellagio Convening: “Designing New Mechanisms and Global Partnerships to Fund and Scale Agricultural Innovations for People and Planet.” Bellagio, Italy, September 2025
- Invited Speaker.** “Mobilizing Finance for Climate Information Services.” Advanced Course on Climate Information Services, designed by the African Group of Negotiators Expert Support (virtual), August 2025.
- Invited Speaker.** “Agricultural Innovation Mechanism for Scale.” Scaling Climate and Development Action – Lessons from SOFF and AIM4Scale (virtual), March 2025.
- Closing remarks.** “UNCCD COP16 Flagship and the Private Sector.” Arab Gulf Fund and UNCCD COP16, Riyadh, Saudi Arabia, December 2024.
- Panelist.** “Achieving Food Security in a Context of Droughts & Desertification in the Africa Middle East Region: The Key Role of Agricultural Innovation and Public-Private Partnerships.” CroPLife and UNCCD COP16, Riyadh, Saudi Arabia, December 2024.
- Invited Participant.** “Creating a New Narrative for Agriculture in Latin America and the Caribbean.” Inter-American Institute for Cooperation on Agriculture and Columbia University, New York, September 2024.
- Panelist.** “Policy Dialogue: Scaling Evidence-based and Cost-effective Innovations in Africa: The Role of the Private Sector.” Science Summit 2024, Funding the UNCCD COP16 Flagship Initiative for Food Security and Sustainable Development, New York, September 2024.
- Keynote Speaker.** “Scaling Agricultural Innovations to Facilitate Food Systems Transformation.” Climate Innovation Day, St. Louis, Missouri, September 2024.
- Panelist.** “Forum Summary and Highlights.” Asia and the Pacific Food Security Forum, Manila, Philippines, April 2024.
- Speaker.** “Digitalization and Agriculture.” Asia and the Pacific Food Security Forum, Manila, Philippines, April 2024.
- Panelist.** “Maximize Gains from Climate-Food-Nature Nexus.” Asia and the Pacific Food Security Forum, Manila, Philippines, April 2024.
- Invited Speaker and Panelist.** “Agricultural Innovation for Food Security in the Context of Climate Change in LAC.” Inter-American Development Bank & IDB Invest Annual Meetings of the Board of Governors, Punta Cana, Dominican Republic, March 2024.
- Panelist.** “Farmers and Traditional Food Producers at the Heart of Food Systems Transformation.” COP28 Presidency event organized by the World Farmers Forum. Dubai, UAE, December 2023.
- Moderator.** “Innovations in Agroforestry.” COP28 IICA Pavilion. Dubai, UAE, December 2023.
- Speaker.** “Systems Finance for Climate-Smart Agriculture.” Milken Institute Middle East and Africa Summit. Abu Dhabi, UAE, December 2023
- Speaker.** “Climate-smart innovation for food systems transformation.” For World Business Council for Sustainable Development. Virtual. November, 2023

Speaker. “The Road to COP28: Agricultural Innovations to Address Climate Change and Food Security.” Keough School of Global Affairs, Notre Dame Policy Conversation. Washington DC, November 2023.

Speaker. “Introduction to the Innovation Commission.” For the Brazilian Ministry of Environment and Climate Change, COP30 leadership. Virtual. November, 2023

Speaker. “Unveiling the Future: Harnessing Policy Innovations for Food System Transformation.” A Virtual Side Event as part of the *Borlaug Dialogues*, organized by the Food System Economics Commission and the Keough School of Global Affairs at the University of Notre Dame. Virtual, October, 2023.

Speaker. “COP28 Food System Agenda: Innovation.” COP28 Reception at the UAE Embassy on World Food Day. Rome, Italy, October 2023.

Speaker. “COP28 Food System Agenda: Innovation pillar.” For the *Food Innovators Network of the World Economic Forum*. Virtual. October, 2023

Participant. Annenberg Foundation Trust sponsored retreat: *Dialogue on the Roadmap to Jointly Achieve Climate and Food Security and Nutrition Goals*. Buonconvento, Italy, October 2023

Speaker. “Innovation Commission and Innovation Priorities.” For the *COP28 Food Systems & Agriculture Innovation Agenda* hosted by the Agricultural Innovation Mechanism for Climate. Virtual. September, 2023

Panelist. “Climate-Smart Agriculture in the Americas Webinar.” Organization of American States meeting convened by the U.S. Department of Agriculture. Virtual. September, 2023.

Speaker. “A quest for meta-innovations: Breaking the scaling barrier for food systems transformation.” At the New York Climate week event *INNOV-EAT Expedition: Trailblazing, failing and setting sail: A quest for food systems innovations*. Columbia University, New York, September, 2023.

Speaker. “Introduction to the Innovation Commission.” Agricultural Innovation Mechanism for Climate Partnership Meeting. Virtual. August, 2023

Speaker. “Pillar 3: Innovation”. At event hosted by United Arab Emirates, *COP28 Food Systems Agenda Workshop*. Abu Dhabi, August 2023.

Speaker. “Inclusive Rural Transformation to Address Climate Change and Food Insecurity.” Series: Seeds for Food Security, Inter-American Development Bank, Washington DC, May 2023

Speaker. “Scaling Innovation for Climate Change, Food Security and Agriculture.” At event hosted by United Arab Emirates, *Kick-off Workshop, COP28: Food Systems Transformation Project Workshop*. Montreal, December, 2022.

Report presentation. *2019 Rural Development Report: Creating opportunities for rural youth*. Peking University, Beijing, China November 2019.

GIZ (German Development Agency) Representation, Berlin, Germany. October 2019.

Swedish International Agricultural Network Initiative, Sweden. August 2019.

Food and Agriculture Organization, Rome, Italy. June 2019.

European Development Days, Brussels, Belgium. June 2019.

Special address. “Agricultural development and role of financial services to support achieving Sustainable Development Goals.” At the 6th World Congress on Agricultural and Rural Finance New Delhi, November 2019.

Speaker. “Building a resilient and carbon neutral world, leaving no one behind, with a focus on islands and least developed countries.” At the *Abu Dhabi Climate Meeting*, Abu Dhabi, UAE. July 2019.

Panelist. “What will it take to win the battle against Hunger?” At the *European Development Days, Addressing inequalities: Building a world which leaves no one behind*, Brussels, Belgium. June 2019.

Speaker. *International Day of Family Remittances: Supporting one billion people to reach their own SDGs*. New York. June 2019.

Moderator. *Unleashing the Entrepreneurial Power of Rural Youth to Improve Income and Food Security in Developing Countries*. At event hosted by House and Senate Hunger Caucuses, Washington DC. June 2019.

Speaker. “Perspectives from MDBs, Development Agencies, and Other Stakeholders.” At the *Dealing with Non-Traditional Stakeholders in Fragile and Conflict Situations Roundtable*, Washington DC. June 2019.

Power Stage Talk. “Investing in rural women.” **Panelist.** “Creating a Gender Equal World: The Transformative Power of Women’s Rights to Land.” **Moderator.** “The Real Groundbreakers: Women food producers transforming rural landscapes.” At the *Women Deliver 2019 Global Conference*, Vancouver, Canada. June 2019.

Panelist. “Plenary session on Strategic Commitments–Sowing and harvesting: the way forward.” At the *High-level event: Food and agriculture in times of crisis*, Brussels, Belgium. April 2019.

Co-convener. *Agricultural development for Global Food Security: What works and what doesn't? And how do we know?* Chatham House Rules Workshop at the American Enterprise Institute, Washington DC. March 2019.

Official Opening Speech and Panelist. “Public Policies and Agro-pastoral Youth Entrepreneurship in Africa.” At the *International Youth Agropastoral Entrepreneurship Summit*, Yaoundé, Cameroon. February 2019.

Advisory board meeting, *Ceres2030: Sustainable Solutions to End Hunger*, Bonn, Germany. December 2018.

Stakeholder participant. *Launch of the Global Commission on Climate Adaptation and Stakeholder Consultation*, The Hague and Rotterdam, Netherlands. October 2018.

Panelist. *Blended Finance for Smallholders: Addressing Global Challenges with SDG Focused Solutions*. At the side event 2018 Annual Meetings of IMF and World Bank Group, Bali, Indonesia. October 2018.

Speaker. *Inclusive Economic Growth: Reducing Poverty and Inequality*. At the side event 2018 Annual Meetings of IMF and World Bank Group, Bali, Indonesia. October 2018.

Panelist. “Innovations in Concessional Window Balance Sheets.” At the Center for Global Development event *Concessional Financing in a New Era: What Do Developing Countries Need, What Do Donors Want?*, Washington, DC. September 2018.

Panelist. “The future of work in the rural economy” and “Access to finance and markets for an effective, profitable and viable agro-entrepreneurship.” At the event *Youth Employment in Agriculture*, Kigali, Rwanda, August 2018.

Panelist. “Ministerial Roundtable on Zero Hunger.” At the *34th Session of the FAO Regional Conference for Asia and the Pacific*, Nadi, Fiji. April 2018.

Moderator. “High-Level Ministerial Panel: The role and contribution of South-South and Triangular Cooperation in the Sustainable Development Agenda.” At the *International Conference on South-South and Triangular Cooperation*, Brasilia, Brazil. November 2017.

Panelist. “Ending rural hunger: A stocktaking on World Food Day.” At the Brookings Institution, Washington, DC. October 2017.

Speaker. “Building a Development Effectiveness Framework to Measure Corporate Impact.” At a special session of the *Modernizing Foreign Assistance Network's Accountability and Country Ownership Working Group*, Washington DC. June 2017.

Presentation. “Enabling inclusive and sustainable rural transformation: The International Fund for Agricultural Development’s Strategic Approach to supporting the 2030 Agenda.” At United Nations Headquarters, New York. May 2017.

Presenter/Panelist. “Building Capacities and Mobilizing Resources for Infrastructure, Industrialisation and Innovation.” At the Special Meeting of the Economic and Social Council (ECOSOC) on *Innovations for Infrastructure Development and Promoting Sustainable Industrialization*, May 31, 2017, New York.

Advocate. Charter Session II “Innovation and Digital Opportunities.” At the high-level G20 conference *ONE World No Hunger. Future of the Rural World*, Berlin, Germany. April 2017.

Discussant. At the event *Opportunities and challenges towards achieving SDG1 and SDG2: Experiences from China, Kenya and Chile*, Rome, Italy. April 2017.

Presentation. “Looking Ahead: IFAD’s Strategy for Contributing to the 2030 Agenda.” At *Korea’s Global ODA Forum for Sustainable Agricultural Development*, Seoul, Korea. April 2017.

Report presentations. “IFAD Rural Development Report 2016, Fostering Inclusive Transformation: Key Findings.”
Italian Ministry of Foreign Affairs and International Cooperation, Rome, Italy. September 2016.
Irish Forum for International Agricultural Development, Dublin, Ireland. October 13, 2016.
Ministry of Agriculture, New Delhi, India. October 2016.
Center for Global Development, Washington DC. November 2016.
Warwick University, London, United Kingdom. December 2016.
Swedish International Development Agency, Stockholm, Sweden. December 2016.
University of Pretoria, Pretoria, South Africa. March 2017.

Panelist. “Why is accountability to affected populations important for the right to adequate food of the people most affected by food insecurity and malnutrition, and how does it operate in practice?” At the conference *Right to Adequate Food: Promoting accountability of food security actions to the people most affected by food insecurity and malnutrition*, Rome, Italy. January 2017.

Panelist. “How to improve research impact? The funders’ point of view.” At the workshop *Assessing the socio-economic impacts of Agricultural Research in Europe and developing countries*, Brussels, Belgium. November 2016.

Presentation. “Challenges to impact evaluation, solutions for IFAD.” At the conference *Impact evaluation of policies and projects for agricultural and rural development*, Milan, Italy. August 2015.

Panelist. “How to better integrate PtoP into FAO activities (a look inward).” At the *Workshop on the Protection to Production project*, Rome, Italy. September 2013.

Panelist. “Leveraging Academic Research” and “Crafting a Research Agenda: Investing in Agriculture.” At the *Metrics from the Ground Up Conference, Aspen Network of Development Entrepreneurs*, Washington, DC. June 2013.

Presentation. “Supporting smallholder agriculture.” Presentation to a delegation from the *Government of the Philippines, Department of Agrarian Reform and Department of Agriculture*, Washington, DC. June 2011.

Discussant. “Research plans for 2014/2015.” At the *From Protection to Production Team Workshop*, Rome, Italy. October 2010.

Presentation. “Keeping an Active Brain.” At the division retreat for the *Office of Strategic Planning and Development Effectiveness*, Inter-American Development Bank, St Michaels, Maryland. June 2010.

Presentation. “Evaluating the impact of PROCAMPO.” Proposal presented at the *Secretary of Agriculture, Livestock and Fisheries*, Mexico City, Mexico. May 2009.

Presentation. “CAFTA and the Rural Economies of Central America.” At the *Inter-American Development Bank’s Management Committee of the Region for Mexico, Central American and Hispaniola*, Washington DC. November 2004.

Corporate Publications

TEACHING

Training

Graduate Certificate in Higher Education, University of New England, 2001

One-year course of study for certification in teaching at the higher education level.

Action Research Project: Designed a course of study for development economics.

Teaching Grants

University Curriculum Development Award AY 2006-07, American University "Economics 523 and 524: A New Sequence in Applied Econometrics at the Masters Level, With an Associated One-Credit Course in STATA Statistical Software," with Maria Heracleous and Tom Hertz, \$5,000, 2006-2007.

Teaching Development Grants 1999, University of New England, "Grant to enhance teaching in units offered in economic development," AU\$8,000, 1999-2000.

Experience

University of Notre Dame, Keough School of Global Affairs, Notre Dame, Indiana, 2020-present

KSGA 30001: International Economics, Spring 2021

MGA 60201: Foundations of Sustainable Development, Spring 2021, Fall 2021, Fall 2022

MGA 60745: Policy Lab: Designing Programs to End Hunger, Fall 2020

SUSD 83004: Research for Impact, Fall 2026

IDBInvest, Washington, DC, Summer 2024

Co-designed and taught a three-day course on impact measurement and evaluation to staff in the IDBInvest Development Effectiveness Division.

American University, Department of Economics, Washington, DC, 2004-2015

ECON 100: Macroeconomics, Spring 2005, Fall 2005

ECON 110: The Global Majority, Fall 2008, Spring 2009

ECON 322: Introduction to Econometrics, Fall 2013 (two sections)

ECON 362: Microeconomics of Economic Development, Fall 2007, Fall 2008, Fall 2009, Spring 2013

ECON 311/370: International Economics, Fall 2004, Fall 2006

ECON 480: Senior Research Seminar, Fall 2012

ECON 579: Environmental Economics, Fall 2007, Fall 2009 (two sections), Fall 2011

ECON 662: Development Microeconomics, Fall 2004, Fall 2005, Fall 2011, Fall 2012

ECON 665: Project Evaluation in Developing Countries, Spring 2005, Spring 2006, Fall 2006, Spring 2008, Spring 2009, Spring 2010, Fall 2011, Spring 2013, Spring 2014

ECON 696: Stata for Economists, Fall 2006

ECON 788: Seminar in Economic Development, Spring 2008, Spring 2012, Spring 2014

ECON 897: Doctoral Dissertation Seminar, Fall 2014, Spring 2015

Inter-American Development Bank, Washington, DC, 2009-2015

Assisted in designing and teaching a series of courses on impact evaluation to IDB operational divisions.

Universidad Javeriana, Department of Economics, Bogota, Colombia, June 2012

Instructor for a two-week intensive course on impact evaluation.

Food and Agriculture Organization, Rome, Italy, 2011-2012

Instructor for online courses (Oct 2011, May 2012, December 2012) and a face-to-face course (June 2012) on designing impact assessments.

University of Connecticut, Storrs, Connecticut, October 2011

Taught two days of sessions in a week-long course on Aid Effectiveness to staff from the External Resources Division of the Kenyan Ministry of Finance.

University of New England, School of Economics, Armidale, Australia

ECON 102: Introductory Macroeconomics, Second semester 2000, 2001, Summer 2002

ECON 314/414: Economic Development, First semester 1999, 2000, 2001, Second semester 2002

ARE 422: Rural and Resource Policies in Developing Countries, Second semester 1999, 2000

ECON 437/537: Policy Issues in Developing Countries, Second semester 1999, 2000, 2001

ARE 230/330: Benefit-Cost Analysis, First semester 1999

Food and Agricultural Organization of the United Nations, Agriculture in Economic Development Analysis Division, Rome, Italy, March 1996

Taught course on the use of social accounting matrices and computable general equilibrium models.

STUDENT SUPERVISION

University of Notre Dame

PhD thesis supervision

Jingjie Cao, "Analysis of controlled environment agriculture." Fall 2025-present.

MGA thesis supervision

Binh Le, "Parental planning and children's educational outcomes." Spring 2023.

Directed readings

Max Hammond, *Fragility in the Pacific*, Spring 2022.

Sebastian Bascom, *Farmers organizations for development*, Spring 2022.

Kellogg International Scholars Program

Lauren Dungan, Fall 2022-Fall 2024.

Thomas Kavanagh, Fall 2024-Spring 2025.

American University

Ph.D. thesis supervision—Chair

Ervin Dervisevic, "Networks and Externalities." Completed Fall 2016.

Maja Schling, "Education and Development." Completed Spring 2016.

Paul Corral, "Agriculture and African Development." Completed Spring 2016.

Smriti Tiwari "Three essays in Migration." Completed Summer 2015.
Angel Bogushev, "Essays on Bulgarian Development." Completed Fall 2014.
Vanya Slavchevska "Gender and Agriculture in Tanzania." Completed Summer 2014.
Kevin McGee, "Health and Development." Completed Spring 2014.
Mario Gonzalez-Flores "Three Essays in Development." Completed Spring 2014.
Wendy Karamba "Fertilizer Subsidy in Malawi." Completed Summer 2013.
Heath Henderson "Smallholders in Nicaragua." Completed Summer 2012.
Minh Nguyen, "Three Essays in Development Economics: The Case of Vietnam." Completed Spring 2010.
Lina Salazar, "Three Essays on Agricultural Development." Completed Spring 2010.
Ainsley Charles, "Evaluation of Rural Roads Investment in Trinidad and Tobago." Completed Spring 2010.
Alejandra Obando, "Access to Knowledge and Returns to Human Capital: The Way Out of Poverty? A Costa Rican Case Study." Completed Fall 2009.
Juna Miluka, "Albanian Gender Issues." Completed Fall 2008.
Kebede Fedu, "Schooling in Ethiopia." Completed Summer 2008.
Talip Kilic, "Albanian Schooling." Completed Spring 2008.
Jessica Todd, "Conditional Cash Transfer Programs." Completed Summer 2007.
Gbemisola Oseni, "Rural Income Generating Activities in Nigeria." Completed Spring 2007.

Ph.D. thesis supervision—Committee Member

Jorge Munoz, "Three Empirical Essays in Development Economics." Completed Spring 2019.
Phanwin Yokying, "Gender Issues in Development." Completed Summer 2018.
Jambal Ganbaatar, "Poverty Issues." Completed Summer 2018.
Kentaro Muryama, "Essays on Food Markets in Africa." Completed Summer 2017.
Laurent Risler, "Evaluating the Impact of Inflation Targeting in Developing Countries." Completed Spring 2016.
Nicholas Smith, "Impact of Microfinance in Uganda." Completed Spring 2015.
Susan Reilly, "U.S. social issues." Completed Spring 2013.
Daouda Sembene, "Institutions and Poverty." Completed Summer 2011.
Hitomi Komatsu, "Gender Issues in Japan." Completed Spring 2011.
Romina Cavatassi, Wageningen University, Netherlands "Facilitating the entry of smallholders into the new agricultural economy conserving the natural resource base: a case study from the Andes." Completed Fall 2010.
Pooja Kacker, "Productivity dynamics." Completed Spring 2009.
Nicole Smith, "Intergenerational Education Mobility: Three Essays on Measurement Error, Cross-Country Differences in Mobility and Long-run Growth." Completed Summer 2008.
Deborah Vazarani, School of Public Health, John Hopkins University, "The influence of women's status on maternal and child health services utilization in a poverty reduction program (RPS) in Nicaragua." Completed Spring 2007.

Masters-degree students (School of International Studies), supervision of Substantial Research Papers

Lauren Berner, "Evaluating the Impact of the Rwanda Genocide." Spring 2015
Martha Viveros, "Evaluation of Social Programs in Colombia." Fall 2013.
Jane Lole, "Evaluating Farmer Field Schools." Spring 2013.
Ana Veronica Lopez, "Safety Nets in The Bolivian Amazon." Fall 2012.
Jessica Pace, "Gender, Economics and Equity." Spring 2012.
Silvia Gomez, "Higher Education in Colombia." Spring 2012.
